

area

The place to be seen is Königsalle, which is lined with up market designer stores, boutiques and coffee shops. Close by, Schadow Strasse is good for the major shoe chains and Schadow Arkaden, an up market shopping mall, has a number of footwear outlets. The Old Town lies to the west of Königsalle and is the place to see young funky fashion and volume shoe stores. This area stretches over to the Rhein where there are some good restaurants.

getting around

Trains run into Dusseldorf from the airport station and take approx 15 - 20 minutes. It is a 5 - 10 minute walk to the shops from the train station and a short walk from Königsalle to the old town. One day allows plenty of time. You can also go by train to Cologne (half an hour) from here.

opening hours

Monday to Saturday from 09.00 to 20.00. Closed Sunday.
