

## area

Over the past few years Antwerp has become a hot shopping destination, no doubt helped along by the reputation of Belgian fashion designers such as Dries Van Noten and Dirk Bikkembergs. Footwear retail especially for children's products is excellent. Antwerp is small enough to cover on a day trip allowing a little time to sample the antique shops, beer, mussels and frites.

## getting around

Antwerp is easily covered on foot.

## opening hours

Monday - Saturday 10:00 - 18:00. Closed on Sundays.
