

area

The best areas for shopping are Portal De L'Angel (close to the Ramblas), Passeg de Gracia, Ramblas de Catalunya and Avinguda Diagonal. The Maremagnum shopping mall at the port has the same chains as elsewhere in Barcelona, but has the advantage of Sunday opening. There are also some trendy boutiques close to the Picasso Museum in the Ribera district.

getting around

Barcelona is quite spread out. The underground system is good for getting around quickly.

opening hours

Mon - Sat 10:00 - 20:30.

Some stores close for lunch from 13:30 - 16:30.

Closed Sundays, except for seven Sundays per year (Maremagnum mall opens every Sunday).
