

area

The shopping areas of New York have been split into six sections:

Upper East Side

Home to upmarket international designer labels.

Greenwich Village and Nolita

Bloomingdales Soho outlet and Topshop are located here on Broadway. 8th Street is crammed full of volume independants.

Soho

Young and individual street fashion plus designer brands, also great for home stores, cafes and restaurants.

Flatiron District

International brands rub shoulders with fashion boutiques.

Midtown

For the department stores don't miss 57th Street.

The Meat Packing District

For Jeffrey and other cool stores.

(Lower East Side

Trendy cafes, thrift stores and one-off boutiques are beginning to add new life to this rundown area. Rivington Street, Orchard Street and Ludlow Street lie 10 minutes east of Soho).

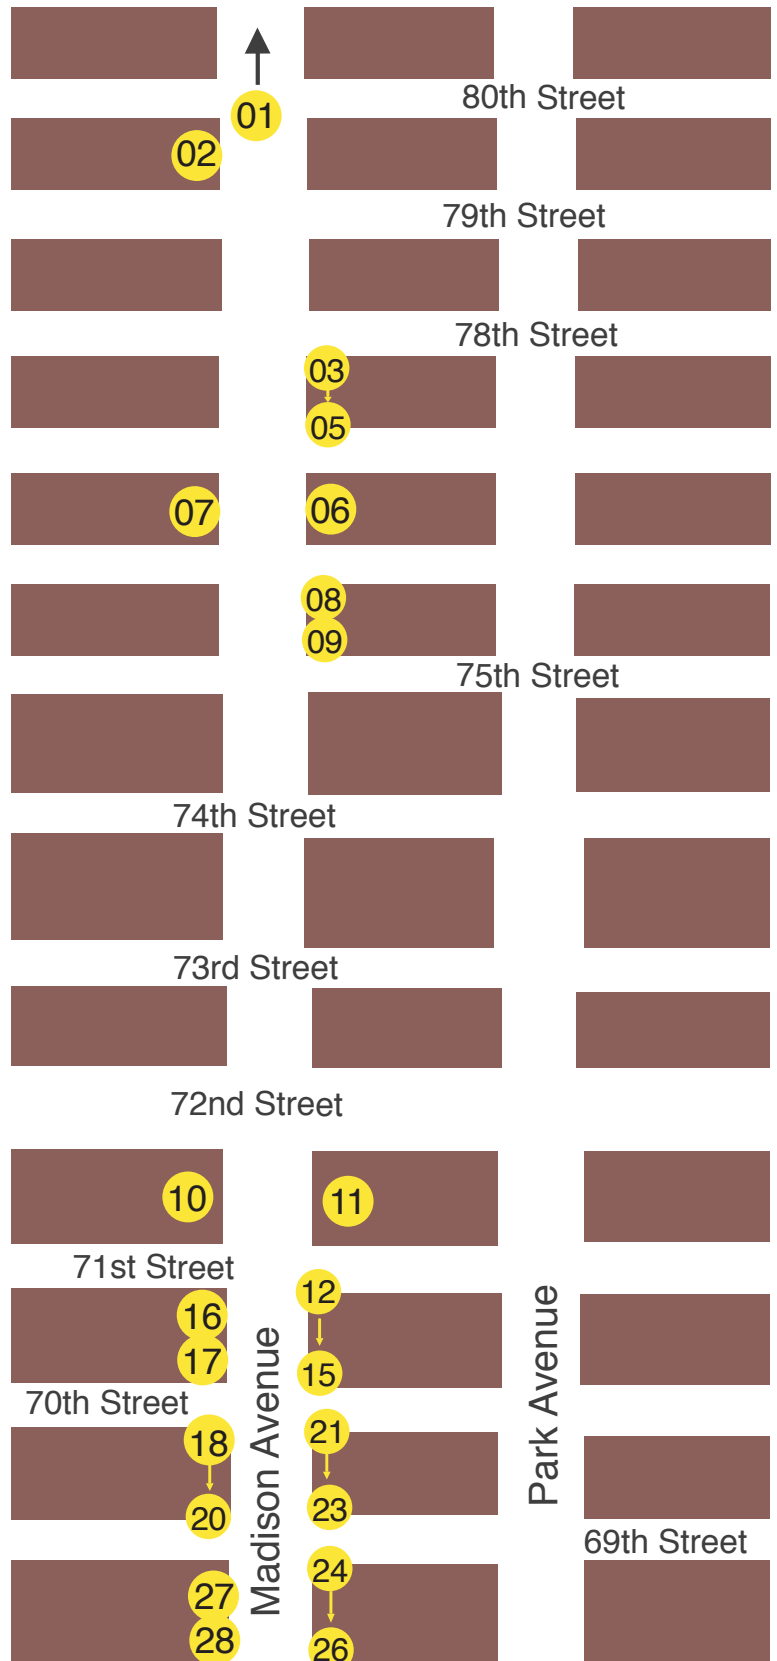

getting around

Manhattan is so large you need to allow a minimum of 2-3 days to cover all areas. Taxis are the quickest way from A to B but there is also the subway or buses.

opening hours

Monday to Saturday 09:00 - 18:00. Soho opens at 11:00 and closes at 19:00. Midtown stays open late on Thursdays. Most stores open at 11:00/12:00 - 16:00 on Sundays (Soho 12:00 - 18:00).
